SUMMER 2016

NEWSLETTER

Edition 1

Welcome to the first edition the Y Bont Newsletter after a busy first year as Manager of Y Bont, I would like to welcome you all.

A lot has happened in my first year here, we have refurbished all 6 rooms of our accommodation and are happy to report that they have taken off and have had numerous visitors who have enjoyed their stay. Our next improvement will be our double sided log burner which will be installed by October. We have had Gin tasting evenings, Vinyl Nights, Ladies Catch up evenings and not forgetting our regular Quiz night.

I hope you find this newsletter an interesting read as to what is going on at Y Bont.

Many thanks for your continued support.
